STIHL HOLIDAY STOCKING STUFFERS

FIND PRICING AT YOUR LOCAL STIHL DEALER

PS 10 FOLDING SAW

Portable pruning saw features a 6" chrome-plated blade to cut branches up to 2" in diameter.

PS 60 PRUNING SAW

Impulse-hardened blade teeth require less frequent sharpening and can tackle limbs up to 3" in diameter.

PP 10 HAND PRUNER

A lightweight, dependable hand pruner designed to tackle most pruning jobs.

PP 80 HAND PRUNER

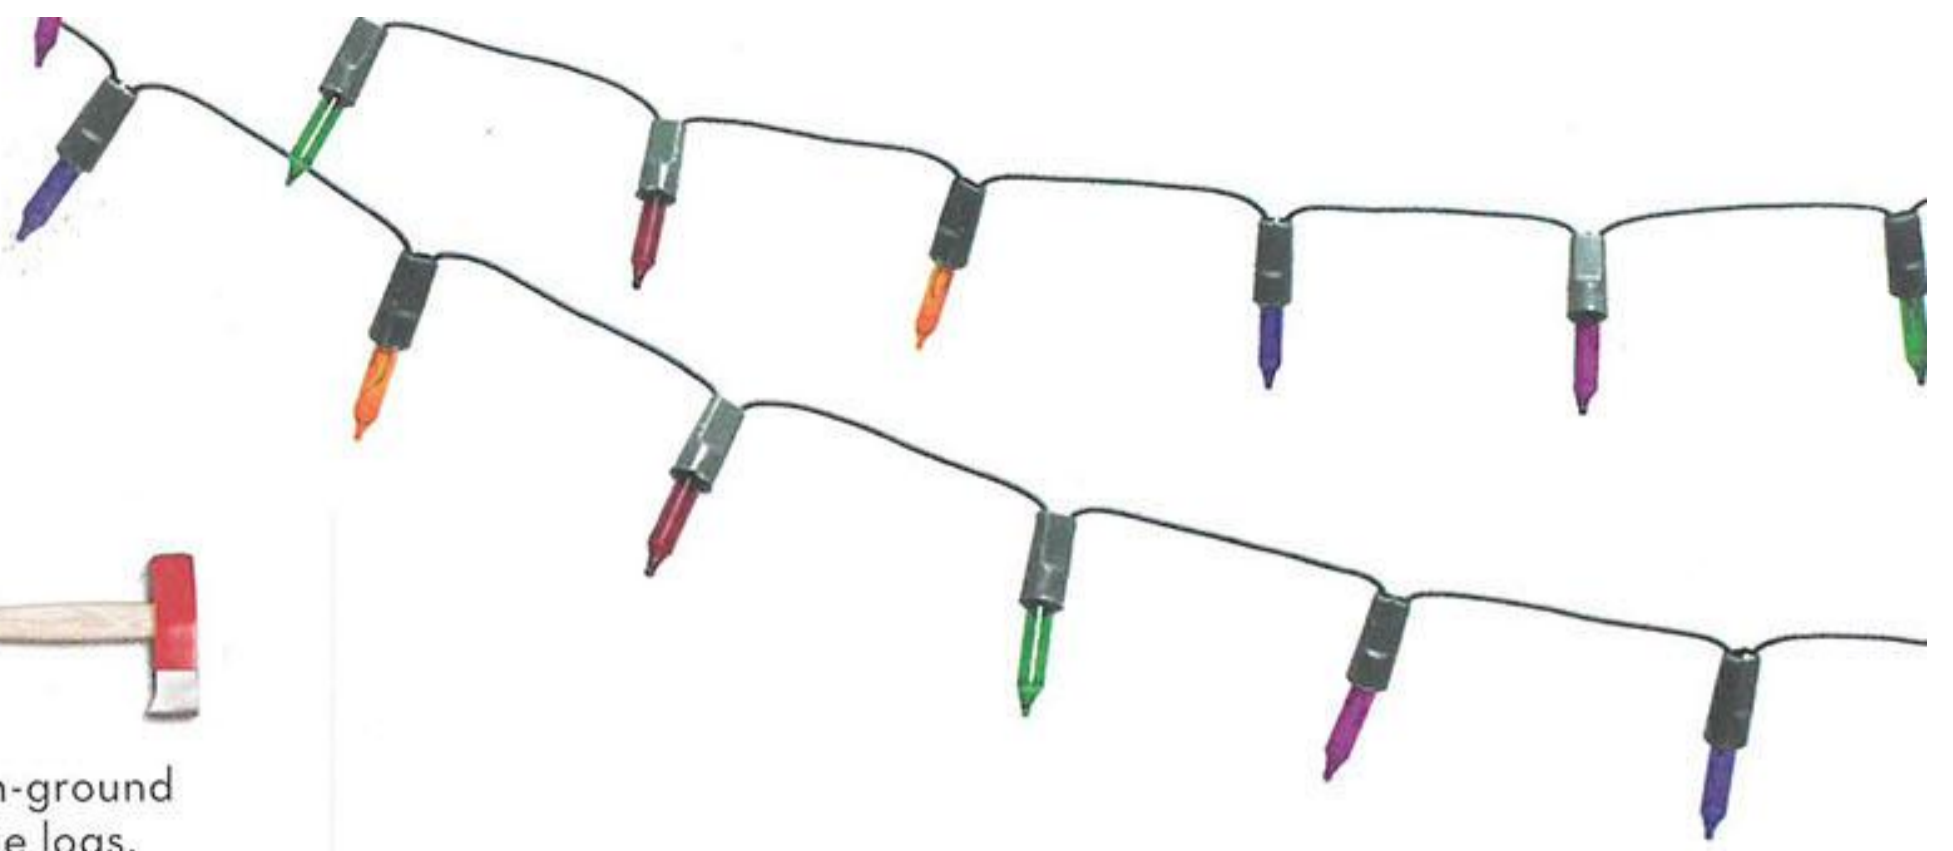

Made for large hands, featuring a longer handle for comfort and improved grip, with a 1" cutting capacity.

PP 101 EXT. REACH PRUNER

A working reach of 7' above the ground allows for precision cutting at almost any angle.

WOODCUTTER SPLITTING MAUL

A durable drop-forged steel head and precision-ground edge - ideal for driving wedges or splitting large logs.

PL 5 LOPPER

Strong, lightweight lopper with tubular steel handles and contoured grips for comfortable use.

PL 40 LOPPER

Large, 32" aircraft aluminum handles provide pruning leverage to higher tree branches.

HEAVY DUTY HEDGE SHEAR

Corrosion-resistant, cold forged steel 8.5" blades provide strength for all types of trimming and sculpting.

PA 20 SPLITTING HATCHET

Premium ash handle, oversized neck and fine-tuned balance - ideal for creating kindling and general use.

PROFESSIONAL SPLITTING MAUL

An extra-large striking face designed to reduce misses and improve splitting performance.

LOG PEAVEY 42"

Ideal for turning heavy logs, and features a steel spike for greater control over movement.

CANT HOOK 42"

Features a heavy-duty body designed to grip and move logs in a wide range of sizes.

LOG STAND

Connects to a cant hook or log peavey for easy elevation while cutting.

The STIHL name stands for more than power tools. It stands for hard work, American-built pride and the support of independent businesses across the country. If that sounds like something you'd like to display, then look no further than STIHL OUTFITTERS™ for officially licensed caps, shirts, jackets and accessories. Order online and ship directly to your home at STIHLusa.com

18" bar[†]

The MS 251 C-BE features all the comfort and ease of the MS 251, and has Easy2Start™. Perfect for felling small trees, pruning, thinning, and cutting firewood.

MS 211 C-BE CHAIN SAW

\$339⁹⁵ NES-SRP

18" bar[†]

The MS 211 C-BE takes all the low-emission and air filtration technology of the MS 211 but also features the STIHL Easy2Start™ system for fast and easy starts and our toolless Quick Chain Adjuster.

MS 271 FARM BOSS® CHAIN SAW

\$409⁹⁵ NES-SRP

18" bar[†]

A true powerhouse, the MS 271 FARM BOSS® takes charge when it comes time for felling, cutting firewood or storm cleanup, tackling cutting jobs with a low-emission, fuel-efficient engine.

[†]The actual listed guide bar length can vary from the effective cutting length based on which powerhead it is installed on.

MS 291 CHAIN SAW

\$459⁹⁵
NES-SRP

The high-performance, fuel-efficient MS 291 chain saw features an advanced anti-vibration system to reduce operator fatigue - great for felling, firewood cutting and storm cleanup.

MS 391 CHAIN SAW

\$599⁹⁵
NES-SRP

Features engine technology that provides great fuel efficiency while reducing emissions, the MS 391 is more powerful than the MS 311 and is cut out for the big jobs in the field, farm and ranch.

MS 311 CHAIN SAW

\$519⁹⁵
NES-SRP

The MS 311 is a high-tech workhorse with a step up in horsepower and features over the MS 291, including improved engine technology and fuel economy for longer run times.

MS 362 CHAIN SAW

\$779⁹⁵
NES-SRP

The MS 362 is a no-fuss, hardworking chain saw that mixes great power with fuel efficiency, ideal for any professional tree or forestry personnel.

MS 261 CHAIN SAW

\$589⁹⁵
NES-SRP

Designed for large-volume cutting, the MS 261 offers an optimized power-to-weight ratio, low emissions, high fuel efficiency and professional-grade performance.

MS 462 C-M CHAIN SAW

\$1,189⁹⁵
NES-SRP

Shown with optional lightweight guide bar.

The STIHL MS 462 C-M is a lightweight, powerful chain saw fit for any forest, offering performance at the highest capacity with STIHL M-Tronic™ engine management technology.

STIHL BLOWERS
